

WANT TO PURCHASE YOUR NEXT HOME BEFORE YOU SELL?

If you are thinking about selling your home while planning your next move, a bridge loan might be for you! Doing both steps at once can cause financial strain, especially if you plan on using the profit from selling your current home to buy your new one.

Bridge financing is a short-term loan that allows you to access the equity in your current home to bridge the gap between buying a new home and selling your previous one.

BENEFITS OF A BRIDGE LOAN

- Allows you to purchase your next home before you sell
- Useful to avoid private mortgage insurance
- Offers quick financing
